ELLEN VON UNWERTH

EXHIBITION
2019

Ellen von Unwerth is among the most sought after photographers in the world. Stars like Madonna, Rihanna or Christina Aguilera and many more are dying to get in front of her lens.

She discovered famous models like Claudia Schiffer and Eva Herzigova, creating worlds of imagery with them that have already gone down in the history of contemporary photography and are now an integral part of our everyday aesthetics.

Her artworks are being presented in the world's largest museums, such as the Metropolitan Museum of Art, New York, MoMA, New York or the Deichtorhallen, Hamburg, and the NRW Forum in Germany and are part of prestigious collections worldwide.
